## TAFT RALLY IS PROPOSED

A meeting of the executive com-  
mittee of the Republican club, first pre-  
dict, fourth district, was held at the  
house of the president, A. F. Clark,  
Kaimuki, last night to organize the  
committee and fill vacancies caused  
by the failure of the club to elect a  
treasurer and two judges of election.  
E. A. Douthett was on motion elected  
chairman of the committee.

C. N. Marquez was elected treasurer  
of the club. J. H. Piddes and Henry  
Aylett were elected judges of elec-  
tion.

The chairman was elected a com-  
mittee of one to see the Territorial  
Central Committee executive about  
the framing of a rule to prevent vot-  
ers from being active in both Repub-  
lican and Democratic clubs. Several  
instances of such duplicity were cited.  
In this connection it was recommend-  
ed that the club have an enrollment  
committee and revision of its roll.

A suggestion originating with A. D.  
Castro was brought up, to hold a  
Taft ratification rally, with delegates  
to the national convention and others  
as speakers. The president and the  
chairman were authorized to confer  
with the like officers of other clubs  
on the matter.

Rice Declines.  
Charles A. Rice of Kaula yester-  
day wirelessly to friends in town that  
he will not stand as Republican candi-  
date for Delegate to Congress. In  
their offer of the candidacy to him, in  
opposition to Delegate Kalaniana'ole,  
he was informed that there was a  
compact between the Delegate and R.  
W. Shingle that Shingle would sup-  
port Kalaniana'ole this year and he  
would support Shingle for the dele-  
gateship two years hence.

Kakaako Combination.  
It is reported that Joel Cohen, J. C.  
Quinn and C. G. Barlett have joined  
hands to secure the thirty delegates  
from the Kakaako section, sixth and  
seventh precincts of the fourth, in  
support of Cohen for Senator and his  
partners for supervisors.

## ASSOCIATED OIL TO GET PIPE LINE

The Board of Harbor Commission-  
ers yesterday tentatively decided that  
the only solution of the \$30,000 fuel  
oil pipe line puzzle is to assign it to  
the use of the Associated Oil Com-  
pany of California, which at present  
has almost a monopoly on the supply  
of fuel oil to steamship lines hand-  
ling cargoes at this port.

The line, originally planned to be  
used by all the oil companies in com-  
mon, has threatened to become a  
"white elephant" on the harbor com-  
mission's hands because the com-  
panies declined to use it together.  
Their opinion on the subject was not  
consulted until after all plans had  
been completed, the contract let and  
materials ordered for its construction,  
and the commission could not stop  
the wheels it had set in motion.

Such other concerns as supply fuel  
to ships must continue to furnish the  
oil by methods at present in use, so  
that the pipe line to all practical in-  
tents and purposes belongs to the As-  
sociated Oil Company. It is possible  
that the company will not even be  
compelled to pay for a lease, as it is  
feared that would place it entirely  
under the control of the using com-  
pany. The Associated Oil Company  
is preparing to erect a powerful pump-  
ing plant if it gets the privilege of  
the line.
